**Le Sodole is undergoing complete refurbishment in 2019 and will be relaunched for 2020 as an exclusive Private Members Club. A holiday retreat that is much more than a holiday home.**

Set in the vineyards of Count Aldobrando degli Azzoni Avogadro, this is your country home with everything you would want on hand from the basics of a swimming pool and hotel services of housekeeping, maintenance, reception, porters and limo transfer, through to the restaurant with far travelled award-winning chef. Top it off with wines from the surrounding vineyards and you have the perfect Tuscan location.

Through a very modern Private Club structure this carefully crafted holiday home option offers more, much more. Instead of just being your country home it offers a sister property in the Apennines which delivers your ski home in the winter and is in process of adding options within Pisa and by the sea.

This is a holiday home without compromise - offering access to several holiday home options so you don't have to choose where to buy your holiday escape. Options aplenty, and all for a fraction of the cost of a fixed holiday property.

Come and find out more.

## PERKS OF MEMBERSHIP

Le Sodole is located just 20 minutes from Pisa airport, within the golden triangle of Florence, Pisa and Siena. This location gives you an excellent base with so much to see and do in all directions. This is what makes Tuscany such a great choice for repeat holiday visits whether for short breaks or for extended stays.

The Private Members Club option is superbly flexible, allowing you to book whenever you want in the year without restriction and also in short breaks of 3 or 4 nights or several weeks at a time.

You choose how to build your personal membership, how much time you will want each year and how you will like to use it.

There are several sizes of apartment at Le Sodole, but you can reserve the right capacity and right aspect for any individual booking – all members access all apartments and any times of the year so there is only one restriction, it's subject to availability.

We are inviting only a maximum of 250 members.

Call us and ask for a special discovery visit rate of just £245 for 3 nights at the weekend or 4 nights during the week. Offer open only to UK residents and for a limited period.
