

ANTINORI WINERY

There are many places in Tuscany to engage with, and taste it's wines - but no other such as this!

Because this has been specially designed for the purpose to allow wine and winemaker to engage with customers and enthusiasts on a level just right for them.

You can arrange a tour from the choices available, you can just sample wines in the shop or enoteca, you can enjoy an exceptional quality of dining experience in its restaurant.

This is a place where you can spend most of the day if you want and if you're "into your wines" taste and buy from a fabulous selection.

Opening hours are from 10am to 6pm (5pm from November to March).

Rinuccio 1180 Restaurant is open for lunch from 12 noon until 4pm.

Parking is in front of the facility and a shuttle bus operates. In quieter months it is possible to park inside the facility.

It's a very impressive place for lunch too - albeit at the more expensive end of your options available.
