

THE BEACH AT BARATTI

This is also the route for Elba and it takes around 1 hour and 15 minutes to reach the ferry or to reach Baratti beach.

Very popular during weekends and holidays with locals so our advice is to visit during the week and not on weekends.

Lots of beachfront is private so if you like a day at the beach you can choose to access a Beach Club and there are lots to choose from.

If you'd like to check out a popular public beach then you can take a drive to Baratti (Piombino).
