

THE FLORENCE MALL

The home of Italian designer factory shops.

Just south of Florence the route is motorway all the way and it takes just over 1 hour but take care to choose your time of travel carefully to avoid "rush hour" traffic jams.

Take the Fi-Pi-Li toward Florence and join the A1 south at Scandicci. Your exit is Incisa in Val d'Arno.

This is you in the heart of Chianti so there may be an opportunity to visit Greve or Radda for lunch?
