

FLORENCE

No visit to Le Sodole or Tuscany is complete without a day trip to Firenze. A magical place in the same way as places like Paris or Miami can be. It's really just about being there.

Go by train from Pontedera straight to Santa Novello in the centre of town.

There are so many things to recommend about Florence but whether for lunch or just a glass of wine visit Enoteca Antinori - it's featured in our "where to eat" section and it's just somewhere "done right".

People watching at one of the many street side cafes or restaurants or sight-seeing perhaps guess you've got to see David once whichever one you pick! Go to the Uffizi of course but watch out for the Vasari Corridor re-opening (it's closed at the time of writing this) that would make a great day.

Coming home to Le Sodole, check your trains arrival time and call Le Sodole when you leave Florence - if we can, we'll come and collect you from the station - if we can't we will arrange a taxi to greet you.
