

MANDARINO CAFFE BISTROT

Where and when:

Located in the centre of Pontedera this is a stylish modern bar and bistro (in the same ownership as Amalia Laghi).

It's closed Sunday but open all other days for lunch and dinner.

Piazza Curtatone e Montanara, 56025, Pontedera.

Exceptionally stylish and modern this restaurant invites pre-dinner drinking from the late afternoon and people watching from the seats on the square outside.

A short seasonal menu in comparison to many on this list of suggested eateries. Best described as specialising in seafood with modern Mediterranean style.
