

OSTERIA DEL SOLE

Where and when:

This long established family run restaurant is in Capannoli on the Main Street in the middle of town - park in the street opposite.

It's open from 7.30pm every night save Sunday and for lunch from 12.30 Tuesday through Friday.

It'll take you around 15 minutes from Le Sodole.

The menu is extensive - crazily so! So if you're not sure what you want to eat you can have the widest choice at Osteria Del Sole.

Special recommendations? The pasta dishes are imaginative, the beef is fabulous and for something a little different the ribs are a feast. There are lots of traditional ingredients, pages of pizza selection and above all really nice people looking after you.
