

# VISIT THE PIAGGIO MUSEUM

## Where?

It's in the middle of Pontedera - drive to it and park beyond in the car park of the library just a few metres from the museum entrance on the left.

## How much does it cost?

It's free and Piaggio are partners with Le Sodole in Finest Things Italian  
See [www.finestthingsitalian.com](http://www.finestthingsitalian.com)

## Why?

It's more than just mopeds and it's a relaxed and fun way to spend an hour without travelling far.

Piaggio were once the industrial employer of Pontedera but even if you were a "rocker" and not a "mod" you'll enjoy these colourful and adaptable creations and you'll enjoy discovering that it's not all about the Vespa - you'll see planes and trains and Aprilia too!

## What arrangements are needed?

If you plan to visit come and tell us at reception - you might be able to park at the front door as a VIP.

## What else?

After the museum park in Palazzo Martini della Libertà and head to the cafe in the corner (Cafe Baldini) for some people watching over coffee or Prosecco or cakes!
