

POGGIANTI

Poggianti for made to measure shirts while you're visiting Tuscany. Or - if you prefer - select from off the shelf.

This is just a fun trip from Le Sodole - about 10-15 minutes distance. It's great to combine it with other things - perhaps a restaurant choice for lunch?

It's great to have something that nobody else has and when your Poggianti shirt - whether classic or seasonal style - is admired at home, this is just another simple thing made special in Tuscany.

Poggianti has stockists in the UK or you can get sized and order your seasonal shirts on line.

Somewhere for lunch?
